

# How to use the coupon code in the Talk@Ease application?

⚠️ The steps are different on [iOS](#) and [Android](#) devices so please follow the corresponding description in this document. ⚠️

## iOS devices

1. Go to (⚙️) Preferences -> Subscription. Select "I have a discount code".

A screenshot of the subscription selection screen in the Talk@Ease app. The screen has an orange background and displays three subscription options. The top option is highlighted with a blue header "The best value". Each option includes the plan name, a crossed-out price, a discounted price for the term, and a monthly price. A red box highlights the "I have a discount code >" button at the bottom.

Plan	Original Price	Discounted Price	Monthly Price
6 months auto-recurring plan	Ft6,540.00	<b>Ft4,490.00</b> for 6 months	Ft748.33 per month
3 months auto-recurring plan	Ft3,270.00	<b>Ft2,490.00</b> for 3 months	Ft830.00 per month
1 month auto-recurring plan	-	<b>Ft1,090.00</b> every month	Ft1,090.00 per month

2. Type the code and Save it

A screenshot of a mobile application interface. At the top, a dark blue banner reads 'The best value'. Below it, a grey card displays '6 months auto-recurring plan' with a crossed-out price 'Ft6,540.00' and a new price 'Ft4,490.00 for 6 months' at 'Ft748.33 per month'. A 'Buy 6 months plan' button is at the bottom of this card. Below, another grey card shows '3 months auto-recurring plan' with a crossed-out price 'Ft3,270.00' and a new price 'Ft2,490.00 for 3 months'. A white overlay at the bottom contains the text 'Add discount code' and a 'Save' button. Below this is a text input field with a placeholder 'Discount code' and the text 'CODE' entered. A virtual keyboard is visible at the bottom of the screen.

3. In case your coupon code is valid, you will see the price (free or discounted) and the period of the subscription. Then tap "Redeem Offer".

#### 4. Approve the purchase on the Apple Pay window

## Android devices with Google Play Store

1. Go to (⚙️) Preferences -> Subscription. Select the appropriate subscription item that you have your discount code for. It's important that you can use Promo code only on first time purchase.

The image shows a screenshot of a subscription selection screen. It features three distinct cards, each with a white background and rounded corners, set against a light orange background. The top card is highlighted with a dark blue header and a dark blue button. The middle card has a red border around its button. The bottom card has a dark blue button. Each card displays the plan name, a crossed-out price, a discounted price, and a monthly rate.

Plan	Original Price	Discounted Price	Monthly Rate
6 months auto-recurring plan	Ft6,540.00	<b>Ft4,490.00</b> for 6 months	Ft748.33 per month
3 months auto-recurring plan	Ft3,270.00	<b>Ft2,490.00</b> for 3 months	Ft830.00 per month
1 month auto-recurring plan	Ft1,090.00	<b>Ft1,090.00</b> every month	Ft1,090.00 per month

## 2. Select "Redeem code"

a. If you have already set a payment method for your Google Play account (like credit card or PayPal)

i. Open your current payment method's details by selecting it

Google Play

### 1 month Premium

Talk @ Ease - Speak English

Starting today

HUF 1,090.00/month

See included tax ⓘ

Cancel anytime in Subscriptions on Google Play

Mastercard 2389  
Mastercard 2389

ⓘ Contact Google Play

You'll be charged HUF 1,090.00 automatically every month until you cancel. Your price may change as described in the [Google Play Terms of Service](#). [Learn how to cancel](#)

Your refund and 14 day withdrawal rights vary by product type: [Google Play Terms of Service](#) and [Refund Policy](#).

Subscribe

ii. Choose "Redeem code"
